# TREATMENT OF DENTAL PATIENTS DURING COVID-19

## Dr Geoff Knight

BDS Sc MSc MBA PhD

Geoff Knight is a general dentist and internationally noted dental speaker with special interests in Minimal Intervention Aesthetic Dentistry. He has pioneered a number of innovative clinical procedures in aesthetic dentistry and the pharmacological management of caries and is named on several patents. He has consulted widely across the dental industry and currently works with SDI and PDS. He has been published in Quintessence International, Australian Dental Journal and Journal of Periodontal Research. He has produced a series of clinical technique videos and written over 100 articles on aesthetic and adhesive dentistry many of which have been translated into several languages and published internationally.

## Dr Sam Koh

BDS Sc (Melb)

Dr Sam Koh is a Melbourne-based dentist, graduating from The University of Melbourne with First Class Honours. As the principal dentist of Orions Dental Taylors Lakes & Heyfield Dental Group, his special interests are in Cosmetic Dentistry and Orthodontics.

Following a personal recommendation from world-renown Orthodontist Dr Derek Mahony, Dr Koh has been awarded with a prestigious fellowship from the International Academy of DentoFacial Esthetics in New York, and also holds a fellowship in orthodontics as well as a fellowship from the Pierre Fauchard Academy in London. Dr Koh is a proud member of the Colgate Advocates for Oral Health: Editorial Committee. He is also the co-founder of the Young Dentist Hub, which has over the last few years been at the forefront of dental education events in Australia for young dentists and students alike, both of which he is highly enthusiastic and devoted to mentoring.

## Dr Leonard Crocombe

Associate Professor of Oral Health UTAS

BDS Sc, MBA, MPA, PhD, Grad Cert Higher Ed, Grad Cert Dent, FCHSM, FICD, FADI, FPFA

Assoc Prof Crocombe worked as a private dental practitioner in rural and regional areas of Australia. His main areas of research interest is the comparative inequity in oral health outcomes between people in rural and metropolitan areas, successful aging and oral health, and the oral health of people in Papua New Guinea. Len is a current Federal Councillor of the ADA, Associate Professor of Oral Health at the University of Tasmania and Honorary Professor of Dentistry at the University of Papua New Guinea.

## Claire Mills Oral Health Therapist

Grad Cert OHSc, Dip Dent Hygiene

Claire Mills is a Dental Therapist with Adult scope and Dental Hygienist Grad Cert OHSc, Dip Dent Hygiene. Claire holds a DAA certificate and is certified in radiography as well as Certificate in Dental Therapy 1989. She also holds an Diploma in Dental Hygiene, graduating from TAFE Gillies Plains in 2003. Completing Grad cert Oral Health Science at the University of Adelaide in 2018.

Claire is principal owner of Respect Dental where her field of interest and speciality is in the treatment of aged care patients with a host of underlying health conditions attended in clinic and mobile clinical at home visits. She also works at East Adelaide Dental Studio practicing Dental Hygiene and Dental Therapy.
